

Meeting Announcement

The Wednesday, June 24, 2009 Meeting has been cancelled

The Southern California Water Dialogue will not meet in June. We look forward to our July 22, 2009 meeting when we will present a [water conservation](#) program featuring the proposed legislation for California to achieve a 20% reduction by 2020.

Please mark your calendars and join us on July 22 for this timely topic. We will be sending out additional information in the near future.
