CA Fire History map 1878-present

Bear River area /Route 80 Corridor has not burned in 150 years

A closer view of Interstate 80 corridor to Yuba River

**August 4. 2021 a puff of smoke seen from the patio,
and 20 minutes later...the plume... and evacuation!**

Livestream 3 is over the damage from the River Fire in Colfax area

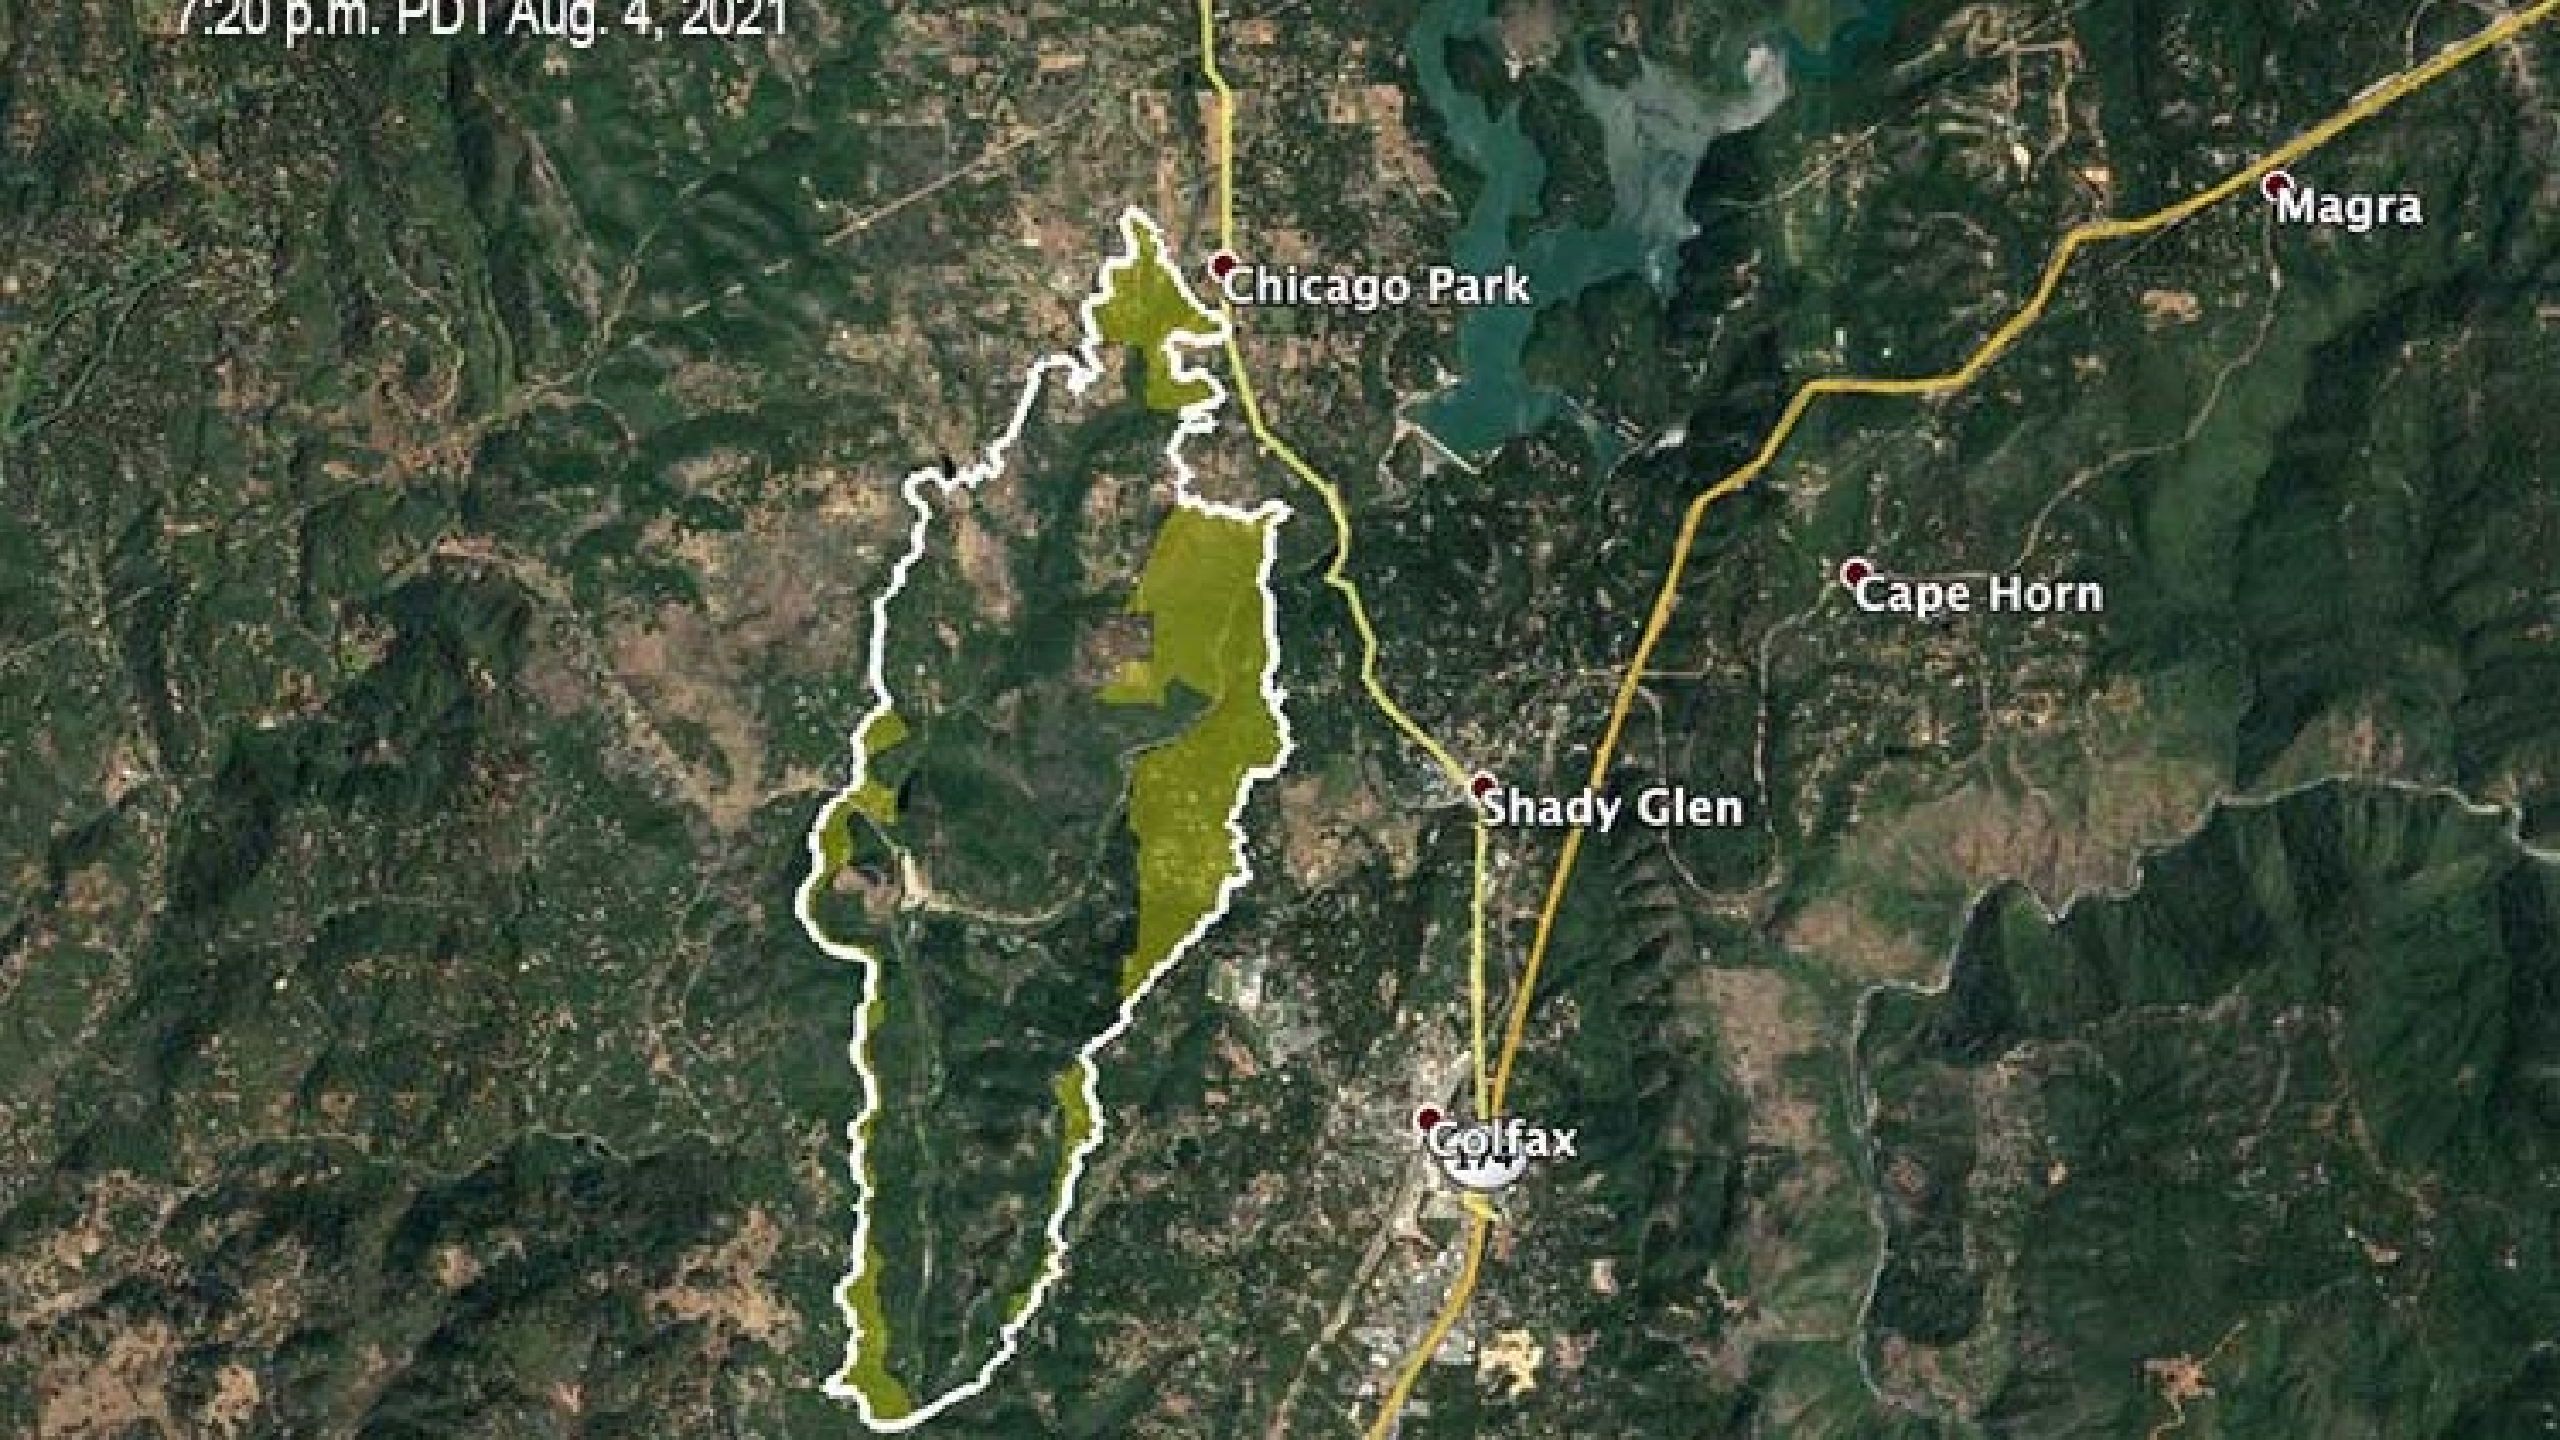

RIVER FIRE DAMAGE

BREAKING NEWS

KCRA 3

7:20 p.m. PDT Aug. 4, 2021

Chicago Park

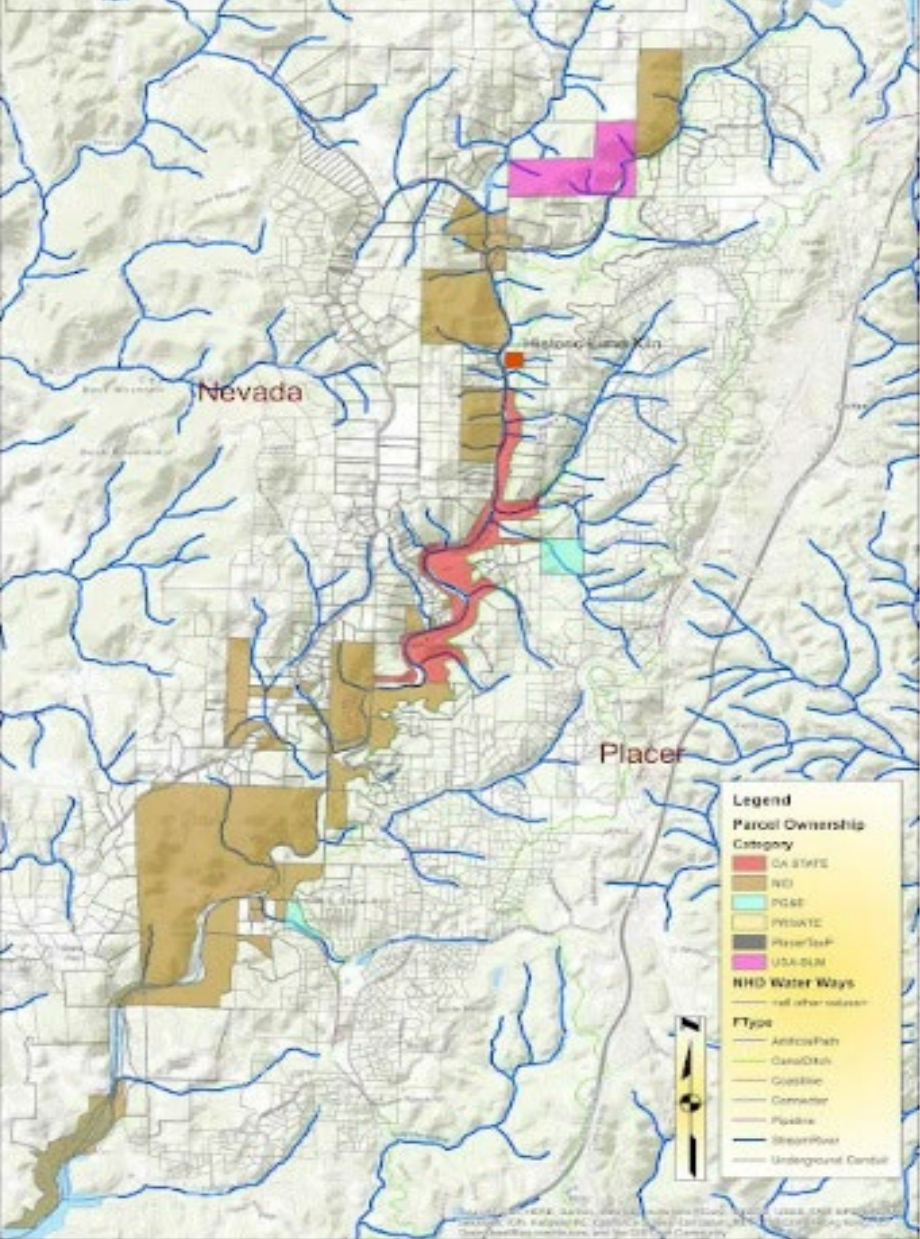

Magra

Cape Horn

Shady Glen

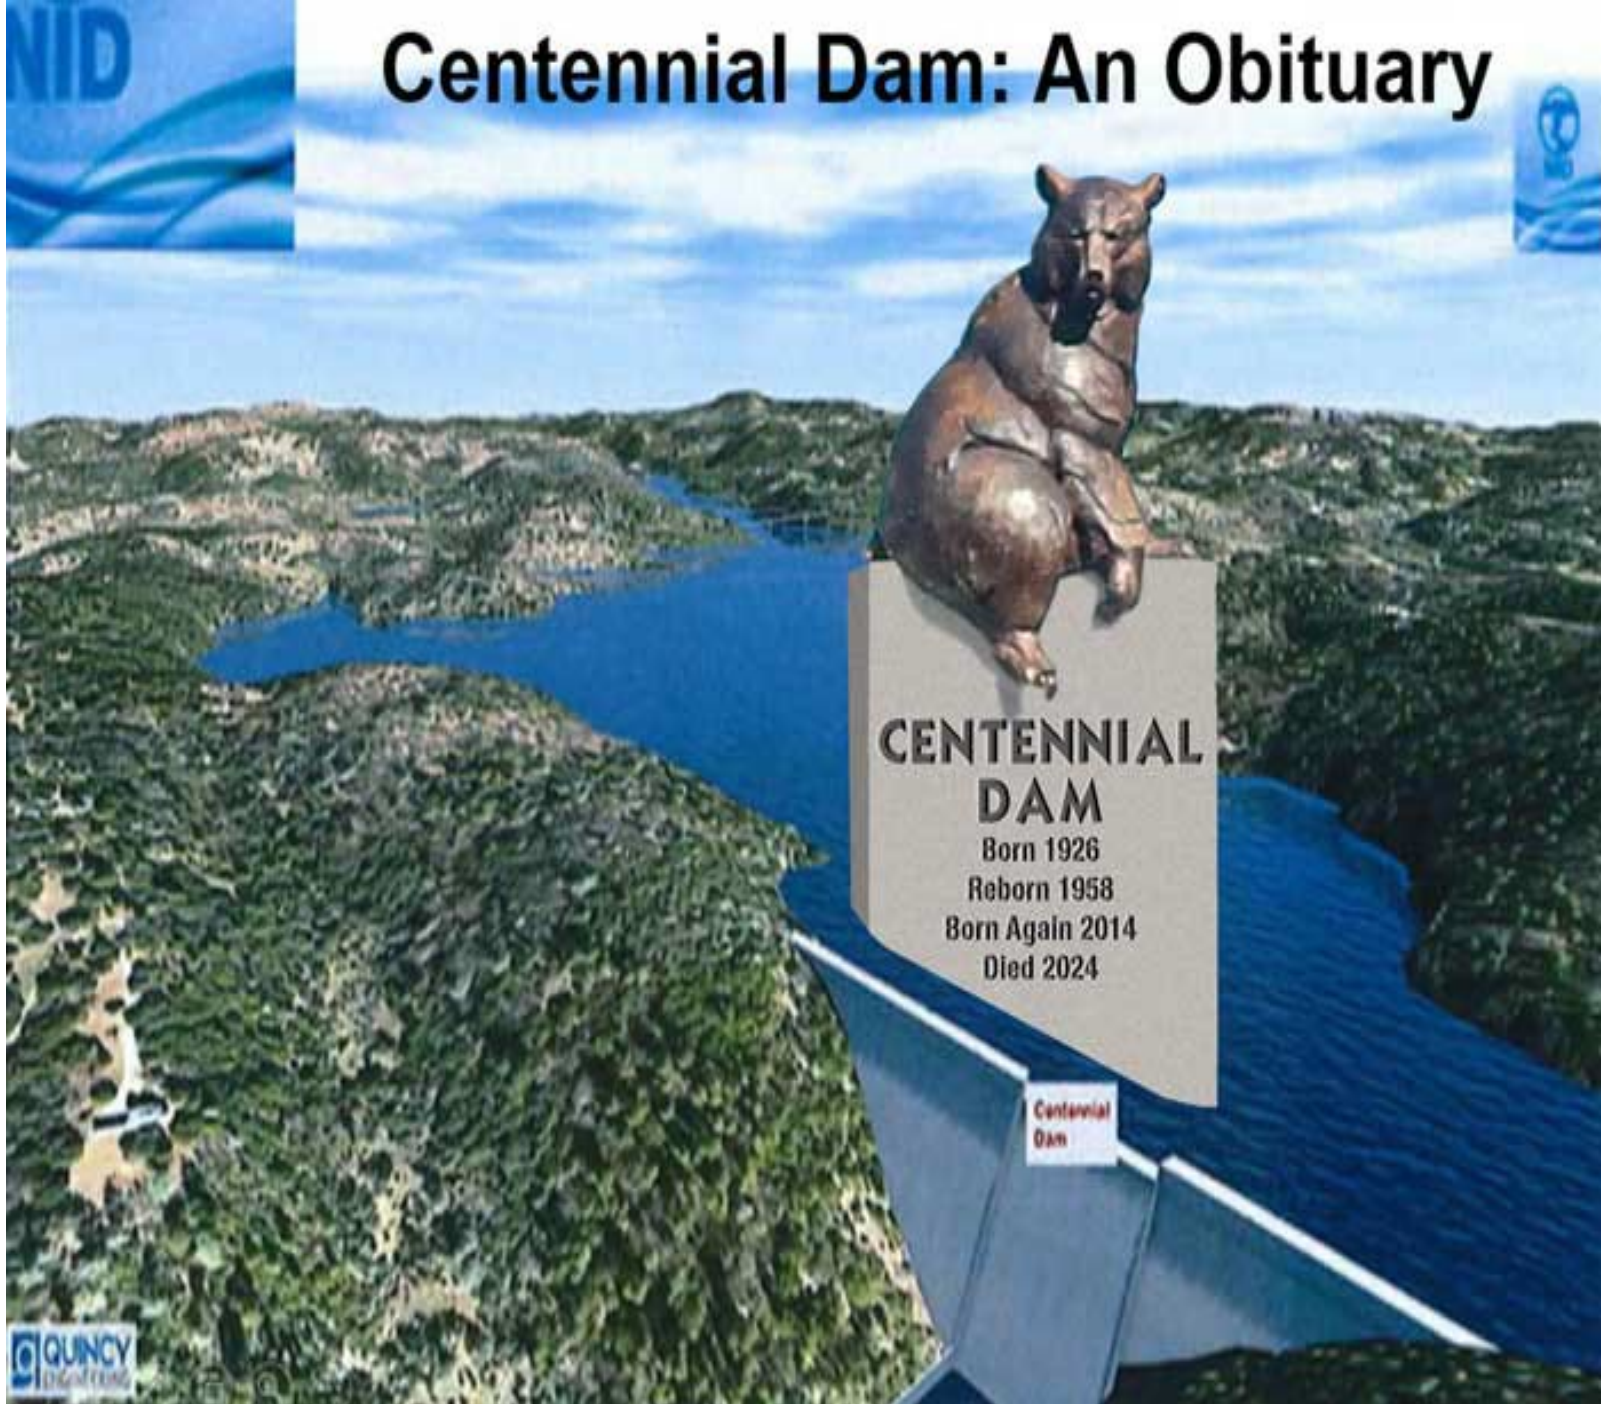

Colfax

Rollins to Combie Reservoir

Centennial Dam is now dead, 9-25-2024.
NID lands are now surplus—to what end?

Centennial Dam: An Obituary

Prescription: 7-mile fire ecosystem, managed with prescribed burning for native species, open space, recreation, etc.

A question of scale: best to practice what you preach, and think big. The small effort will not make it.
